Features & Benefits

- Ready to use wipe.
- Deep well lid to store last dispensed wipe.
- 150ct slim canister for a better grip.
- Brackets to fix on walls and/or vertical or horizontal poles (round or square poles).
- Colour coded yellow for all PDI detergent wipes along with yellow brackets to help identify formulation.
- Low smear biodegradable formulation.
- Range of pack formats.
- Large wipes to ensure good surface coverage.
- Pre-threaded buckets ready for use.
- 60ct Flow wrap is maceratable and as such environmental friendly.

Compliance

- Clear lid buckets to control wipes usage.
- Good material compatibility.
- Pre-dosed wipe.
- **FREE** Auditing along with product training available to PDI range users – Both supported by ATP system and tablets to manage collected data and ease access to e-training.

Competitively priced

- No mixing, no measuring, saves valuable time and provides ample space.
- Refill bag and solo lid dispensing bag are economical and environmentally friendly.
